In view of the above, the Directors are of the view that the Placing of Bonds provides a good opportunity to strengthen the Company's financial position and the terms of the Placing of Bonds are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The gross and net proceeds of the Placing of Bonds will be HK\$198 million and approximately HK\$195.4 million respectively (assuming the Bonds are placed in full). The Directors intend to apply the net proceeds of the Placing of Bonds as general working capital of the Group.
